Super-ARLISS Booster Lower Airframe

This lower airframe is designed to support
 98/15360 (N2000)
 98/10240 (M1939 or M750) &
 98/7680 (M1419) motor cases.
 The 98/5120 (L1500) is too short for
 the long fin frame.

The only items glued into this airframe are the 3/4" coupler ring and the 1" thrust ring.
